

WALK ON WEDNESDAYS

Walk and Learn with some of West Park's best people. Explore the neighborhood with your feet while visiting local merchants and learning more about West Park. Get some exercise, get some knowledge, get WOWed!

Free family and pet friendly walks range in length from 1-2 miles and last about 90 minutes starting at 6:30pm. On each walk a speaker will join us and lead us on a walk through West Park discussing their specialty and answering questions. Stops at merchants may include free samples and coupons. Free raffle for a West Park WOW T-shirt each week.
