Alternatively, the employer (i.e., promoter) may elect to provide a meal for the employees during and after which time the employment shall continue to be paid the prevailing rate for that call. UNION JURISDICTION

SECTION 11: The City recognizes the right of the Union to designate a steward whenever any of its employees is working. The Convention Center employs staff Stagehands who control vital functions of the facility which are essential to the production of theatrical related shows. The City recognizes the right of Local #27 to appoint department heads for a "yellow card" show. The department heads shall in no way interfere with the required staff

house functions of the City's fulltime Stagehands. If any problem arises in this area, house work rules apply.

The hiring of any full-time Stagehands or any replacements required because of attrition (resignation, retirement or death) may be made through the use of the Union referral system in the event that the City of Cleveland's Civil Service Commission has no current list at the time a vacancy occurs. In any event, all temporary appointments that are made through the Union referral system (in the absence of a current Civil Service List) must, within the time period prescribed by the rules of the Civil Service Commission, be tested and attain regular employment status.

Stagehands traveling with the show will be allowed to focus one-half (1/2) of all lighting instruments as designated by the Lighting Director. Stagehands traveling with the show will mix their own sound equipment and operate their own lighting equipment. All spotlights will be operated by bargaining unit employees in all circumstances. Stagehands traveling with the show will also perform maintenance on their equipment.

Stagehands who work a performance on the deck or working the "spots" shall also work the "out" on an hour for hour basis. If there is not a complete crew for the carry out, additional Stagehands can be called in either to complete the crew or to expedite the carry out per the instruction of the promoter.

Both parties acknowledge that certain productions, e.g. comedians, do not require the normal complement of five (5) Stagehands and two (2) soundmen for a performance. When this exception is anticipated, the situation shall be open for discussion between the City and the Union to determine the appropriate labor call for the particular event in question. Each situation is unique and non-precedent setting.

Stagehands traveling with a show shall be allowed to assist in the following phases or work:

- (a) The cabling of sound and lighting equipment.
- (b) The casing, uncasing, setting up and cabling of band gear after this gear has been placed in the work area.
- (c) Microphone placement and cabling.
- (d) One (1) Stagehand traveling with a show shall be able to assist with high rigging.

LAY-OFFS

SECTION 12: Whenever it is necessary to reduce the working force of the City, either for the lack of work or the lack of funds, employees shall be laid off based upon seniority within the affected classification within their division in the following order:

- a. Temporary employees
- b. Certified employees

UNION DEDUCTIONS

SECTION 13: The City will deduct fees from the pay of employees in the bargaining unit covered by this Contract upon receipt from the Union of individual written authorizations cards voluntarily executed by an employee for that purpose and bearing his signature. Provided that –

1. An employee shall have the right to revoke such authorization by giving written notice to the City and the Union within 30 days of the termination of this Contract. Said employees shall automatically be placed under the Fair Share provisions of this position.
2. The City's obligation to make deductions shall terminate automatically upon timely receipt of revocation of authorization or upon termination of employment or transfer to a job classification outside the bargaining unit.

All deductions accompanied by an alphabetical list of all employees for whom deductions have been made, shall be transmitted to the Union no later than the fifteenth (15th) day following the end of the pay period in which the deduction is made, and upon receipt, the Union shall assume full responsibility for the dispositions of all funds deducted.

The Union will indemnify and save the City harmless from any action growing out of deductions hereunder and commenced by an employee against the City (or the City and the Union jointly.)

The City payroll clerk shall, in a timely fashion, mail to the Local's office a copy of the hours worked and wages earned for all men working under the jurisdiction of Local No. 27 at least once a month.

Effective January 1, 1991, all employees in the Union's bargaining unit shall thereafter be either members of the Union or be required to pay a fair share fee (and so notified by the Union) to the Union as a condition of continued employment in accordance with the terms of ORC 4117.09 (C). As provided by that statute, such fair share fee requirement shall be effective until the completion of the probationary period, whichever is less.

The city is not responsible for any legal obligations and costs for claims based on the Union's duty of fair representation.

NO-STRIKE

SECTION 14: The Union shall not, directly or indirectly, call, sanction, encourage, finance, and/or assist in any way, nor shall any employee instigate or participate, directly, or indirectly, in any strike. For the purposes of this section "**strike**" means concerted action in failing to report to duty; willful absence from one's position; stoppage of work, slowdown or abstinence in whole or in part from the full, faithful and proper performance of the duties of employment for the purpose of including, influencing or coercing a change in wages, hours, terms and conditions of employment for the duration of this Contract or any extension thereof.

Violations of this paragraph may constitute an unfair labor practice as determined and remediable by the State Employment Relations Board. In the event an Unfair Labor Practice is determined by the S.E.R.B., the City will not subsequently impose discipline except as recommended by S.E.R.B.

The City shall not lock out employees for the duration of this Contract.

LIMITED RIGHT TO STRIKE

SECTION 15: Upon or after expiration or termination of this Contract or any extensions, employees have the right to strike under Chapter 4117 of the Revised Code provided that they employee organization representing the employees has given a ten (10) day prior notice of intent to strike to the public employer and to the Board; however, the Board, at its discretion, may attempt mediation at any time.

NON-DISCRIMINATION

SECTION 16: The City and the Union hereby state their commitments, legal and moral, not to discriminate in any manner relating to employment or representation on the basis of race, creed, national origin, sex, disability or age.

SENIORITY

SECTION 17: An employee hired pursuant to a temporary appointment can only attain regular/legal employment status through the City of Cleveland's Civil Service Commission in accordance with both the Commission's Rules and any court-ordered compliance requirement. Any regular/legal employee who is promoted into a new classification pursuant to a collective bargaining unit job posting procedure shall attain regular/legal status in the promoted-to position after successfully completing a one hundred twenty (120) day probationary period.

Employees who are on non-FMLA leaves of absence in excess of sixty (60) calendar days shall have their City service seniority suspended until they return to active employment status.

PERSONNEL RECORDS

SECTION 18: An employee shall, upon request, be permitted to review his/her Divisional personnel records file, except reference letters, in the presence of appropriate supervision and he/she may initial and date the contents found therein. Only copies of letters of discipline, evaluations and commendations shall be made available to the employee at the time of issuance. However, any materials in the employee's personnel record which have not been signed by him/her or which are more than two years (2) years old at the time discipline is being considered shall not be used against him/her. The signing of any materials to be placed in an employer's personnel record does not indicate agreement by the employee as to the contents of the material but does acknowledge he/she has seen it.

DISCIPLINE

SECTION 19: Whenever the City determines that an employee may be subject to discipline, a pre-disciplinary conference will be scheduled to afford the employee an opportunity to offer an explanation of the alleged conduct, inclusive of oral and/or written testimony. The City shall notify the affected employees and his/her Union representative of the day and time of

the conference and the incident for which discipline is being considered. The employee's Union representative shall be present at the pre-disciplinary conference unless otherwise agreed between the city and said employee and his representative. Any such agreement shall be reduced to writing, signed by both parties and submitted to the City for the record. An employee may also select, in writing, to waive the opportunity for a pre-disciplinary conference.

At least five (5) working days prior to meetings of the Accident Review Committee, the City shall provide the Union with the names of any bargaining unit members whose accidents are being reviewed at the meeting and copies of any reports or statements regarding the accident.

An employee who is disciplined must be disciplined within five (5) working days of the event(s) upon which the discipline is based, or within a reasonable time from the date the City had knowledge of said event(s). In the case of suspension or discharge, the employee shall be advised of his/her right to have his/her Union representative present and, upon request, will be permitted to discuss his/her suspension or discharge with the Union representative in an area made available by the City before he/she is required to leave the premises. If a Steward is being disciplined, she/he has the right to be represented by a Union Official.

Both the employee and the Union President shall be given a copy of any warning, reprimand or other disciplinary action entered on the employee's personnel records within five (5) working days of the action taken. Any employee who has been disciplined by suspension or discharge will be given a written statement describing, in detail, the reason(s) for which he has been suspended or discharged. In the case of suspension, the employee will be advised of the duration of the suspension.

Any suspension shall be for a specific number of consecutive days on which the employee would regularly be scheduled to work. Holidays occurring during a period of suspension shall be counted as work days for the purpose of the suspension only.

All employees are obligated to report convictions for DUI or drug related offenses, and failure to report may result in immediate discharge.

GRIEVANCE PROCEDURE

SECTION 20: It is mutually agreed that the prompt adjustment of grievances is desirable in the interest of sound relations between the employees and the City. The prompt and

fair disposition of grievances involves important and equal obligations and responsibilities, both joint and independent, on the part of the representatives of each part to protect and preserve the Grievance Procedure as an orderly means of resolving grievances. It is the intent of the City and the Union to share information pertaining to grievances to all steps of the grievance problems.

A grievance is defined as a dispute of difference between the City and employee(s) or the City and the Union concerning the interpretation and/or application of and/or compliance with any provision(s) of this Contract, including any and all disciplinary actions. A Group Grievance is a grievance filed by a group of employees relating to a single common issue or event covered by this Contract. A Policy Grievance is a grievance filed by the Union relating to a single common issue or event covered by this Contract. The grievance form shall set forth the complete details of the grievance, i.e., the facts upon which it is based, the paragraph(s) allegedly being violated, the approximate time of occurrence and the relief or remedy requested. It is understood that a written grievance may be amended by the Union at any time during the Grievance Procedure. However, all amendments must be presented prior to the start of the Step Three (3) meeting at which the amended grievance is to be heard, except in the case of grievances which begin at Step 3, in which case all amendments must be presented no later than thirty (30) calendar days prior to arbitration.

If the grievant, or Union (as applicable) fails to appeal a grievance within the time limit prescribed, the grievance shall be considered as resolved on the basis of the last disposition by the City representative. If a grievance disposition is not rendered within the prescribed time limits, the grievance may be advanced to the next step.

It is important that the employee's grievance(s) regarding unjust or discriminatory discharges, or wage rates/Step placement be handled promptly. Therefore, all such grievances shall be reviewed through the Grievance Procedure beginning at Step Three (3) within ten (10) working days at in Step One (1).

Step 1: When a grievance arises, the following procedure shall be followed: an employee who believes he has a grievance has a right to notify his Union representative of the situation and to discuss the alleged violation. This discussion shall take place with regard for the City's operational needs, but as soon as is reasonably possible. The grievance shall be reduced to writing and presented to the Commissioner or Appointing Authority or his designee within ten

(10) working days of the event (s) giving rise to said grievance. The Commissioner or Appointing Authority or his designee shall meet with the Steward and Union Business Manager within five (5) working days from the date of the receipt of the grievance in an effort to resolve the grievance. Within ten (10) working days after this meeting, the Commissioner or Appointing Authority or his designee shall give a written answer to the Steward and Union Business Manager. Each grievance shall be answered separately. The answer shall set forth in detail the settlement reached between the parties and shall include the grievance number, grievant's name and the date of the grievance hearing. Agreement on this settlement shall be noted by both parties, in writing, on the grievance answer. In the event the grievance is not resolved, the answer shall set forth in detail the reason or reasons for the denial of the grievance.

Step 2: If the grievance is not satisfactorily settled at Step One (1), it shall be presented in writing to the employee's Director or his designee within ten (10) working days of the receipt of Step One (1) answer. Within five (5) working days thereafter, the Director or his designee shall meet with the Union Business Manager. Within ten (10) working days after the Step Two (2) meeting, the Director or his designee shall give a written answer as defined in Step One (1), to the Union Business Manager.

Step 3: If the grievance is not satisfactorily settled at Step Two (2), it shall be presented in writing to the City's Labor Relations Representative, with a copy to the affected Director or his designee, within ten (10) working days after receipts of the Step Two (2) answer. The City's Labor Relations Representative and the Union Business Manager will mutually agree on a date for a meeting for the purpose of considering grievances. A complete agenda for all grievances appealed Representative shall give a written answer, as defined in Step One (1), to the Union Business Manager.

Step 4: If the grievance is not satisfactorily settled at Step Three (3), the Union may, within thirty (30) calendar days in the case of grievances appealing an employee discharge, and within thirty (30) working days in the case of all other grievances submit the matter to final and binding arbitration. The union shall notify the City of its intent to arbitrate the grievance. Within ten (10) calendar days thereafter, the parties shall meet and attempt to mutually agree upon an arbitrator. If no agreement can be reached, the Union shall, within ten (10) calendar days after the meeting, notify the American Arbitration Associations (AAA) and the City at the same time

of its intent to arbitrate the grievance. The fees and expenses of the arbitrator shall be borne equally by the City and the Union. Furthermore, the aggrieved employee, his Union representative, and any necessary witness(es) shall not lose any regular, straight-time pay for the time off the job while attending to an arbitration proceeding. The Union will provide the City with twenty-four (24) hours' advanced notice of employees required to testify.

The parties may, by mutual agreement, choose to have a grievance involving suspension or discharge arbitrated on an expedited basis. The expedited arbitration will be conducted pursuant to the rules of the American Arbitration Association, and the fee and expenses of such proceeding including those of the Arbitrator, shall be borne equally by the city and the Union.

In the event a grievance goes to arbitration, the arbitrator shall have jurisdiction only over disputes arising out of grievances as the interpretation and/or application and/or compliance with the provisions of this Contract, including all disciplinary actions. In reaching his decision, the arbitrator shall have not authority: (1) to add or to subtract from or modify in any way of the provisions of this contract; (2) to pass upon issues governed by law; or (3) to make an award in conflict with law. The arbitrator shall issue a decision within thirty (30) calendar days after submission of the case to him.

In instances where the city objected to arbitration and the Union chose to proceed, the first (1st) question to be placed before the arbitrator will be that of arbitrability. If the arbitrator determines that the grievance is within the purview of arbitrability, the grievance will be heard on its merits before the same arbitrator.

All decisions of arbitrators consistent with this Article and all pre-arbitration grievance settlements reached by the Union and the City shall be final, conclusive and binding upon the City, the Union and the Employees. Provided, that a grievance may be withdrawn by the Union at any time during the Grievance Procedure and the withdrawal of any grievance shall not be prejudicial to the positions taken by the parties as they relate to that or any other grievance. For the purpose of this section, timeliness is counted as working days from the date of the incident or the date expressed on the face of either the answer or the appeal notice, as applicable. Extensions of time limits shall be by mutual agreement and must be verified in writing and signed by both parties. The date of occurrence of the event causing time to run is not counted in

the time limit. If the last date of a period is not a regular business day, the time period runs through the end of the next regular scheduled business day.

DRUG/ALCOHOL TESTING

SECTION 21: All employees who are required to be randomly tested under law (e.g. Department of Transportation regulations regarding employees required to have a commercial Driver's license who drive vehicles in excess of 26,000 pounds), and all employees in Safety Sensitive Positions shall be subject to random drug/alcohol testing. **Additionally, an employee involved in any accident/incident/occurrence that results in personal injury or \$100.00 or more property damages will be subject to post-accident drug/alcohol testing.** Such testing shall be conducted in accordance with the U.S Department of Transportation (DOT) procedures. Further, when the city has reasonable suspicion that an individual employee is using or is under the influence of **illegal drugs, abusing prescription drugs,** or alcohol at work, such employee will be directed to report to a City-designated physician or medical clinic, on City time and at City expense, for a fitness-for-duty examination, **which includes drug/alcohol testing.** **Random and post-accident examinations** are conducted to determine the presence of illegal drugs, **abuse of prescription drugs,** or alcohol in the employee tested. An employee who is directed to submit to such examinations shall report to a City-designated physician or medical clinic, on City time and at City expense. **The Labor Relations Manager, or designee,** shall approve all drug/alcohol testing. This testing will include possible urine, blood or breathalyzer exams as determined by the appropriate medical personnel. An employee who refuses to submit to drug/alcohol testing under the provisions herein shall immediately be charged with insubordination and will be **subject** to discharge. An employee who fails a drug or alcohol test for the second time during his/her employment with the City shall be discharged by the City.

An employee may be referred to fitness-for-duty screening if at least one supervisor has a reasonable suspicion that the employee is then under the influence of alcohol or a controlled chemical substance. The circumstances supporting an allegation warranting reasonable suspicion testing shall be reduced to writing, signed by the supervisor, and copies provided to the employee and the Union prior to testing. The demand for urine, blood or breath specimen should be based only upon specific/objective facts and reasonable inferences drawn from those facts in light of experience that the employee is then under the influence of drugs or alcohol. In addition,

employees may be referred for mandatory urine, blood or breath for drug and/or alcohol screening under the following circumstances:

- (a) A disciplinary probation for employees who have violated the City's drug and alcohol rules; or
- (b) An employee returning from any leave of absence if management has reason to suspect possible illegal drugs and/or abuse; Possible reasons to suspect substance abuse include, but are not limited to, a history of excessive absenteeism not related to a specific illness, documented evidence of deteriorating job performance or of aberrant behavior in the six months immediately preceding the leave of absence or documented involvement with drugs off the job. **The City will notify the Union that an employee in the bargaining unit has been referred for testing. The testing will commence as required by the DOT rules and the protocol of the testing facility.**

As concerns urine samples for drug testing, employees to be tested will undergo an initial screening (EMIT) test. For any positive results, a confirmatory test employing the gas chromatography/mass spectrometry (GC/MS) test will be used. The City will ensure that there is a continuous chain of custody of any sample taken from an employee. Specimen collection will occur in a medical setting. The testing procedures should not demean, embarrass or cause physical discomfort to employees. Altering or switching a specimen sample for a drug/alcohol test, or otherwise refusing to follow the established testing procedure and/or guidelines, shall be grounds for immediate discharge.

The results of any drug or alcohol screening test will be kept strictly confidential. An employee that tests positive for drugs and/or alcohol will have the opportunity to review the test results. The employee will have a reasonable opportunity given to rebut the results. Copies of the test results shall be given to the City and to the individual tested. When urine, blood or other samples have been taken, the two samples will be preserved for a reasonable period of time and tested employees will have the opportunity to direct one of these samples to a reputable physician or laboratory of their choosing for retesting.

Employees who may be drug or alcohol dependent are encouraged to seek, voluntarily, professional assistance through a reputable treatment program. The City's EAP program can

provide counseling and referral. All records of an employee seeking medical rehabilitation for a drug or alcohol problem, either through EAP or otherwise, will be kept strictly confidential. The employee should seek voluntary assistance before his or her drug or alcohol dependence affects job performance that may endanger other employees, the public or adversely affect the employee's job performance.

Participating in the EAP program does not supplant the normal discipline and grievance procedure. An employee subjected to disciplinary charges for substance/alcohol abuse on the job will be given access to the drug or alcohol screening results, will be given opportunity to privately test the blood, urine or other samples at an independent lab and the opportunity to rebut any allegation of chemical abuse. Any charging letter issued to an employee which includes allegations of substance/alcohol abuse on the job shall list the basis upon which it was determined that there was a reasonable cause to believe the employee was using drugs or was under the influence of drugs or alcohol.

An employee found to have positive screens for drugs or alcohol must be given medical clearance by a qualified physician acceptable to the City before returning to work. Such employees may also be subject to additional random testing for a period of up to two years.

An employee shall be deemed to have failed an alcohol test when:

- 1) The person has a concentration of four-hundredths of one percent (.04) or more by weight of alcohol in his blood;
- 2) The person has a concentration of four-hundredths of one gram (.04) or more by weight of alcohol per two hundred liters in his breath;
- 3) The person has a concentration of (.057) of one gram or more by weight of alcohol per one hundred milliliters of his urine.
- 4) The test is a positive dilute will be deemed to be a positive test.

The City is not responsible for any legal obligations and costs for claims based on the Union's duty of fair representation.

The Union shall be indemnified and held harmless by the City for any violation of an employee's constitutional, common law or statutory rights.

The City reserves the right to add to, subtract from or to modify these proposals during the course of these negotiations.

FINAL AGREEMENT

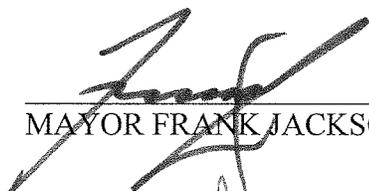

SECTION 22: The parties agree that this is their complete Agreement and that each party had the opportunity to bargain about bargainable subjects in the negotiations. The parties further agree that all conditions adhered to in the past including work rules as published in the City Record and Interpretations, shall remain in full force and effect as if fully written herein.

DURATION

SECTION 23: This Agreement, except as otherwise provided herein, shall be effective as of April 1, 2011 and shall continue in full force and effect through March 31, 2013.
