Pipeline Infrastructure Improvements Update

Thursday, January 10, 2019

Dominion Energy Ohio Gas Pipeline Relocation Project - P400343335
Cleveland Road & Taft Avenue
(City of Cleveland – Wards 8 & 10)

CLEVELAND – On Thursday, January 10, 2019 Dominion Energy Ohio will begin a gas pipeline relocation project at the following intersection:

- Cleveland Road and Taft Avenue.

The work includes relocating an existing gas pipeline on the south side of Taft Avenue at Cleveland Road to remove an existing conflict between Dominion Energy's pipeline and Northeast Ohio Regional Sewer District's Dugway Sewer Project.

One lane of traffic will be maintained at all times on Taft Avenue and Cleveland Road within the project limits and traffic control personnel will direct traffic flow. Access to adjacent driveways will be maintained throughout construction. All work zones will be removed at the end of each work day. Work will take place Monday through Friday from 7 a.m. to 5 p.m.

This project is scheduled for completion in January 2019. If the weather prevents permanent restorations to the sidewalk, temporary sidewalk will be used until permanent restorations can be completed in the spring.

Questions? Contact Dennis Scheid - Hill International at 216-701-2319.

***Editor's Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
