Road Resurfacing Projects Announced for Wards 2, 9 & 10

Residential resurfacing planned for neighborhoods throughout City of Cleveland

CLEVELAND – The City of Cleveland today announced a series of residential roads slated for resurfacing beginning the week of April 15. This first round of residential resurfacing will take place in wards 2, 9 and 10. These projects are scheduled for completion by the end of July 2019.

Advance notice signage will be posted in the areas identified for resurfacing. Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of our workers is a top priority.

One lane of traffic will be maintained for local traffic for the duration of each project and no detours are expected. Access to all businesses, residences and side streets will be maintained during construction. Note: On-street parking will not be allowed during construction.

Ward 2

The following roads are scheduled for resurfacing in Ward 2:

- **Elmarge Avenue**
- **Robertson Avenue**
- **Sandusky Avenue**
- **Dove Avenue**

- **Gray Avenue** **Eddy Road to East 124th Street**
- **Blenheim Road** **East 134th Street to Redman Court**

2019 Road Resurfacing Projects

Projects span all City neighborhoods and wards.

Highlights about this year's road work:

- Street resurfacing will begin the week of April 15th and will continue through the summer, weather permitting.
- This year, with the completion of the Pavement Management Study the City has a graded system that allows streets in the greatest need of resurfacing to be selected. The City is using the worst first approach to road resurfacing.
- City projects it will resurface approximately 110 proposed streets this year.
- City is also investing preventive maintenance on recently resurfaced streets to extend roadways' high condition rating.

Questions? Contact the City's Administrative Manager, Ms. Cherita Anglen at (216) 420-7605.
