Pipeline Infrastructure Improvements Update
Tuesday, September 5, 2017, Dominion East Ohio Gas Pipeline Infrastructure
Replacement Project – PIR 1789
West 150th Street & Puritas Avenue
(City of Cleveland Ward 16)

Expect additional traffic notices as work progresses

CLEVELAND – Pipeline infrastructure improvements begin on Tuesday, September 5, 2017 and include work on the following streets:

- W. 150th Street – Replacement of two gas lines across West 150th Street located approximately 170' south of the intersection of Puritas Avenue and West 150th Street. Additional pipeline work on the west side of West 150th Street in the tree lawn and sidewalk areas extending approximately 50 feet in each direction from the crossover.

The project scope is to replace the old steel intermediate pressure and low pressure mainlines and valves with new coated steel and plastic mainlines and valves. At least one lane of traffic will be maintained at all times in each direction on West 150th Street with traffic control personnel in the work zone(s) directing traffic. A Law Enforcement Officer (L.E.O.) will be present at all signalized intersections. Access to adjacent driveways will be maintained throughout construction and the work will take place Monday through Friday from 7:00 a.m. to 5:00 p.m.

This project is scheduled for completion in October 2017.

Should there be any questions, contact Dennis Scheid - Hill International at 216-701-2319.

***Editor's Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
