FOR IMMEDIATE RELEASE:

September 17, 2018

City of Cleveland Street Improvements
Enterprise Avenue, Briar Road and West 139th Street Rehabilitation
West 130th Street to Briar Road
(City of Cleveland – Ward 16)

CLEVELAND – On Thursday, September 20, 2018 street improvements begin on the next phase of the Enterprise Avenue, Briar Road and West 139th Street Rehabilitation Project between West 130th Street and Briar Road. This phase of the project includes all work items on Enterprise Avenue from the Briar Road loop to West 130th Street. Traffic will be maintained on Enterprise Avenue through the use of flaggers to allow access to all commercial properties with no detours. Construction on this project will be complete in December 2018.

The Enterprise Avenue, Briar Road and West 139th Street Rehabilitation Project extends approximately 0.93 miles from West 130th Street to Briar Road. The improvements include new pavement, drainage, asphalt resurfacing, and installation of Americans with Disabilities Act compliant ramps, curbs, sidewalks, and new pavement markings. The work will take place Monday through Friday from 7 a.m. to 5 p.m.

The project is well ahead of schedule and will be completed in December 2018. Contact the City of Cleveland Chief Inspector, Darrell Dunnican at 216-857-7147 with questions.

Editor's Note: Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
