FOR IMMEDIATE RELEASE:
September 18, 2018

Vine Court Improvement Project
West 32nd Street to West 29th Street
Monday, September 24
(City of Cleveland – Ward 3)

CLEVELAND – On September 24, 2018, the City will begin the Vine Court reconstruction improvement project from West 32nd Street to West 29th Street. The road will be closed between West 32nd Street and West 29th Street for the duration of work. Construction is expected to last for 60 days. Driveways will not be accessible during this closure, so residents and businesses will be asked to park on adjacent side streets during construction.

The project extends from West 32nd Street to West 29th Street. The improvements include installing a new mainline sewer, removing the failed brick and concrete pavement and replacing them with new concrete pavement, new curbs, sidewalks, casting adjustments, and installation of Americans with Disabilities Act compliant ramps. The work will take place Monday through Friday from 7 a.m. to 7 p.m.

The entire project is scheduled for completion in November 2018. Should there be any questions, please contact the City of Cleveland Acting Chief Inspector, Darrell Dunnican at 216-857-7147

***Editor's Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
