## **West 69<sup>th</sup> Street Rehabilitation Phase II**

**Detroit Avenue to Herman Avenue**

**Wednesday, October 2, 2019**

**(City of Cleveland - Ward 15)**

**Expect additional traffic notices as improvements continue**

**CLEVELAND** – On October 3, 2019, the City will begin the West 69<sup>th</sup> Street Phase II Rehabilitation Project from Detroit Avenue to Herman Avenue. West 69<sup>th</sup> Street will be closed to through traffic from Detroit Avenue to Herman Avenue.

The work will be performed in three separate work zones. All traffic will be prohibited from entering or leaving an active work zone, except for emergency purposes. Access to drives and local, two-way traffic will be maintained within the areas outside the active work zone. Signage will be in place on either end of the project. The one way signs will be covered during the course of the project. In addition, there will be no on-street parking along West 69<sup>th</sup> Street between Detroit Avenue and Herman Avenue for the duration of the project.

The West 69<sup>th</sup> Street Phase II Rehabilitation Project scope of work includes approximately 600 feet of concrete pavement repairs, drainage, and installation of Americans with Disabilities Act compliant ramps, new curbs, sidewalks, and drive aprons. The existing asphalt area, near Detroit, will also be resurfaced.

The work will take place Monday through Friday from 7 a.m. to 5 p.m. The concrete work is scheduled to be completed in November 2019. The asphalt resurfacing area is also scheduled to be completed in November 2019, if the weather permits. If not, that work will be performed in Spring 2020.

Questions? Contact the City Project Inspector, Ron Jordan at 216-857-1972.

***Editor's Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*
