Pipeline Infrastructure Improvements Update

Wednesday, Jan. 2, 2019

Dominion Energy Ohio Gas Pipeline Infrastructure Replacement Project - PIR 2792
West 30th Street & Vega Avenue
(City of Cleveland Ward 3)

CLEVELAND – On Wednesday, Jan. 2, 2019 Dominion Energy Ohio's gas pipeline infrastructure replacement project will begin on the following streets:

- Vega Avenue - Fulton Road to West 25th Street.
- Barber Avenue – West 30th Street to West 28th Place.
- Queen Avenue – 2805 Queen Avenue to West 25th Street.
- Filmore Avenue – West 27th Street to West 25th Street.
- West 30th Street – Barber Avenue to Vega Avenue.
- West 28th Street – Queen Avenue to Barber Avenue.
- West 27th Street – 2555 West 27th Street to Barber Avenue.

The improvements include replacing the old steel mainline with a new plastic mainline in the sidewalk area. One lane of traffic will be maintained at all times within the project limits with traffic control personnel directing traffic flow. A Law Enforcement Officer (L.E.O) will be present at all signalized intersections. Access to adjacent driveways will be maintained throughout construction.

All work zones will be removed at the end of each work day. The work will take place Monday through Friday from 7 a.m. to 5 p.m.

The project is scheduled for completion in March 2019. If the weather prevents permanent restorations to the sidewalk, temporary sidewalk will be used until permanent restorations can be completed in the spring.

Should there be any questions, contact Dennis Scheid - Hill International at 216-701-2319.

Editor's Note: Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.

About the City of Cleveland

The City of Cleveland is committed to improving quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play and do business.
