Cleveland Sewer Repair Slated for West 57th Street and Bridge Avenue

CLEVELAND — On April 15th the City of Cleveland's Division of Water Pollution Control (WPC) will begin repairs on a sewer at the intersection of West 57th Street and Bridge Avenue. The intersection will be closed to traffic from all directions daily Monday through Friday from 7 a.m. to 3:30 p.m. West 57th Street and Bridge Avenue will be closed to through traffic but will be accessible to local traffic. All roads will reopen after 3:30 p.m.

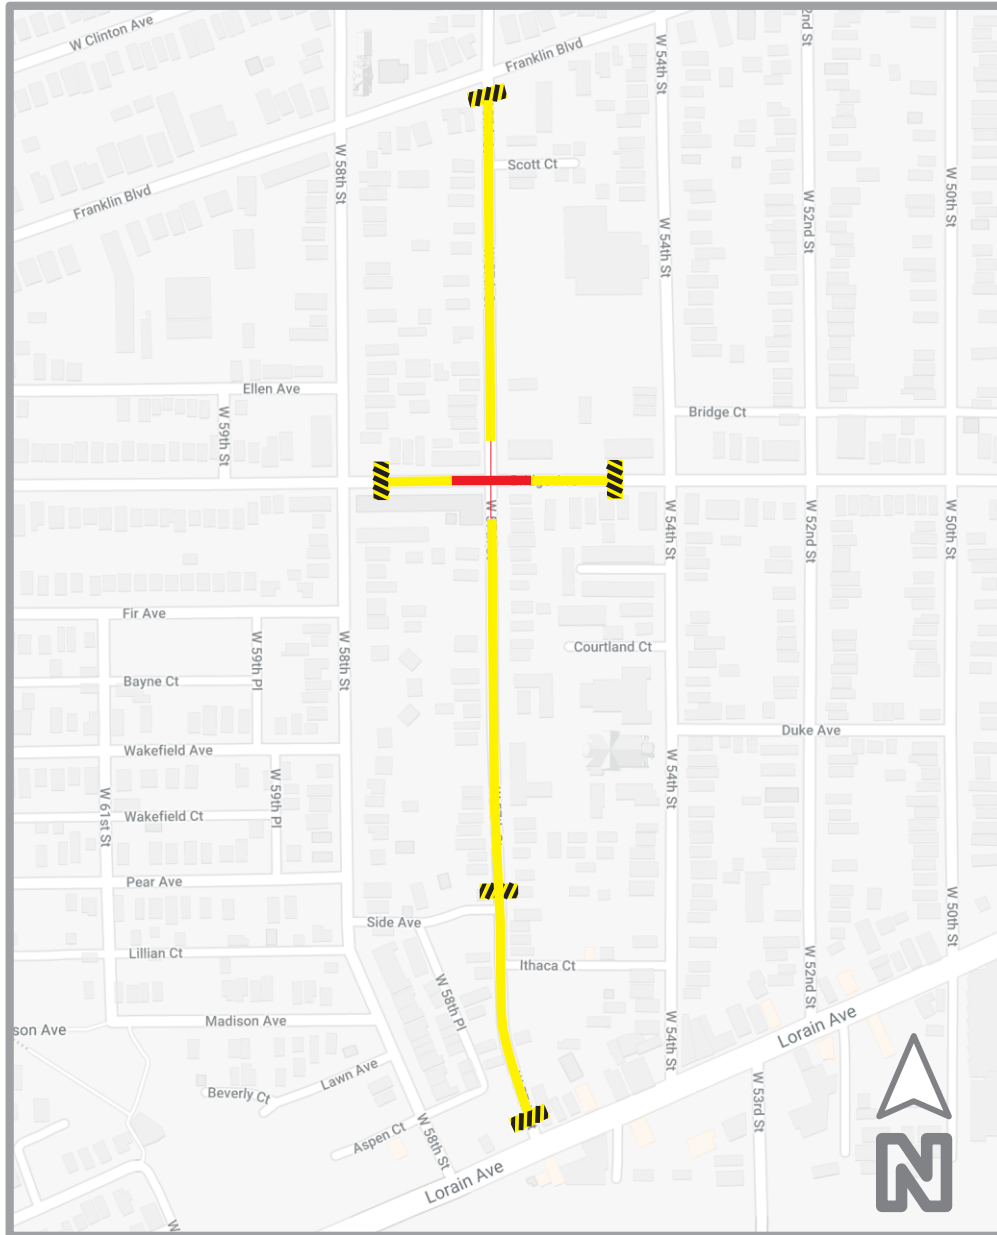

The sewer repair is scheduled to take approximately two weeks. Please see attached map.

About Water Pollution Control

The City of Cleveland's sewer maintenance division and stormwater manager is responsible for the wastewater and stormwater collection systems. The sewer system is comprised of 1,435 miles of sewer lines, about 43,500 catch basins/storm drains and 12 pump stations. Visit our website at www.ClevelandWPC.com and join us on social media: twitter.com/clewpc and facebook.com/ClevelandWPC.

About the City of Cleveland
