Mayor Jackson Sends Condolences to Sister City, Rouen, France

CLEVELAND – “Our thoughts and prayers go out to our sister city, Rouen, France, where a priest was slain today while performing morning mass at Saint-Étienne-du-Rouvray Church,” said Mayor Frank G. Jackson. “No words can express the suffering and loss the people of Rouen and the parishioners are experiencing. The City of Cleveland stands with Rouen as they grieve and seek to understand this senseless loss.”
