## **Community Engagement – Body Worn Camera Survey**

*Division of Police Encourages Public Feedback on Police Body Worn Cameras*

**CLEVELAND** - Mayor Frank G. Jackson, Safety Director Michael McGrath and Chief of Police Calvin D. Williams announce the launch of an electronic survey to encourage feedback from the community relative to the Police Body Worn Camera System. The Division of Police acquired Taser body worn cameras this year and the implementation of the system is well underway, with three of the five neighborhood districts fully equipped. Full implementation of the system is expected to be completed by year's end.

Citizens can complete an electronic survey via [www.surveymonkey.com/s/Z2VTNMK](http://www.surveymonkey.com/s/Z2VTNMK). Comments may also be submitted via email at [Clevelandpolicefeedback@gmail.com](mailto:Clevelandpolicefeedback@gmail.com).
